Wealden offers the freedom to roam for aspiring explorers of every age. Our breathtakingly beautiful and varied landscapes provide unspoilt views of dramatic coastlines, rolling downland, ancient woodland and stunning heathland.

Nature lovers and bird watchers can immerse themselves in our bountiful and unique wildlife. Dark starry nights can be found in many areas around Wealden, including the High Weald and South Downs National Park. They offer the perfect opportunity for stargazing whilst enjoying the tranquillity and freedom from the chaos of modern life.

Wealden offers walking, cycling and horse riding routes for the outdoorsy among us. So whether you seek gentle strolls or demanding hikes, there are plenty of healthy and invigorating options for all the family.

Arlington Bluebells

Leave the hustle and bustle of everyday life behind. Take your time exploring our enchanting countryside.

Pevensey Castle

Take a wander through ancient Sussex Woodlands. **Abbot's Wood** was once part of the great Saxon forest of Andredesweald, which stretched across the whole of the South-East of England as far west as Hampshire. Or bring stories to life at Ashdown Forest, the former ancient Royal Hunting Forest, and the setting for AA Milne's

Winnie The Pooh. Here you will find over 80 miles of footpaths to explore.

The Cuckoo Trail and the Forest Way Country Park are both former railway lines and traffic free, providing ideal paths for walking, cycling and horse riding.

Birling Gap is part of the world famous **Seven Sisters** cliffs, one of the longest stretches of undeveloped coastline on

the south coast. Take your time reflecting on the gleaming chalk and unspoilt views of dramatic coastline.

Bentley Minature Railway

The High Weald National Landscape is an area of outstanding natural beauty within the north of Wealden. As well as enjoying the beautiful countryside and landscapes, there are opportunities for walking, cycling, visiting attractions and rock climbing. Look out for rarer species of birds such as the fieldfare, the nightjar and shy wildlife such as deer and dormice.

Branching Out

>> Did you know?

Friston Forest once had an airfield, primarily used for emergency landings and also as a base for aircraft in World War Two.

In the **High Weald** the frequent passage of pigs being driven to and from their dens formed tracks known as droves and over time the dens became settlements in their own right!

Friston Forest

Discover *our places*

Nestled amongst Wealden's idyllic countryside are untold hidden gems; vibrant market towns and unspoilt villages, with their iconic architecture, give visitors the chance to soak up the real Sussex.

Romans, Saxons and Normans have all made Wealden their home. Our enchanting castles, churches, priories and historic houses tell the story of two thousand years of diverse and evocative history.

Wealden is alive with exotic zoos, working steam railways, colourful gardens and activity-filled reservoirs. Explore the observatory and science centre; fun and learning for young and old. And when it's time to refuel there's an abundance of cosy pubs and quaint tearooms around every corner.

Wherever you are staying in Wealden, there are a multitude of places just waiting to be found.

Crowborough, in the north, is one of the highest points in Sussex. Within easy reach are the impressive ruins of *Bayham Abbey*, or visit the oldest, only working open-trestle post mill in the

country, *Nutley Windmill*. Enjoy outdoor fun at Bewl Water with miles of pathways to walk or cycle, or enjoy the challenge of the Aqua Park. For a different thrill, try your outdoor climbing skills at *Nuts 4 Climbing*.

Central Wealden opens up many more possibilities. *Heathfield* is an attractive market town standing on a ridgeway surrounded by beautiful rolling Sussex countryside. Time travel on one of our steam railways across the Weald.

Herstmonceux is home to The Observatory Science Centre where you can experience amazing hands-on science and see the domes and telescopes at the world famous astronomical observatory.

South Wealden boasts the *Pevensay* area, which is famous for its bay, castle and links with Anglo-Saxon history.

Explore the medieval thatched *Alfriston Clergy House*, situated in one of the prettiest villages of East Sussex. Nearby you will find the world famous *Seven Sisters Country Park* and *The Long Man of Wilmington*, the mysterious guardian of the South Downs.

>>Did you know?

The Bluebell Railway at *Sheffield Park* has been used for many box office films including 'Room with a View', 'Railway Children' and 'Khartoum'. More recently 'Goodbye Christopher Robin', was filmed with the striking backdrop of Ashdown Forest!

Experience *our culture*

Our unique geology and climate make Wealden a front-runner in world-class winemaking. A visit to one of the many beautiful Sussex vineyards will be high up the list for both connoisseurs and curious wine-lovers alike.

From unique cheeses, puddings and pies to dozens of local craft beers, there's something to tickle everyone's taste buds. The artisans and makers of the Wealden area are guaranteed to satisfy the most demanding foodies!

Wealden's stunning landscapes have provided inspiration for some of the world's most revered artists, writers and creatives for generations. Our award winning galleries, houses, gardens and festivals showcase their incredible talents and will leave you feeling enriched.

360° Brewing

Savour the bubbly bouquet of wine from one of over 20 Sussex Vineyards.

Satisfy your hunger by sampling delicious, locally sourced food in one of our many excellent pubs, restaurants and bistros. You can also sample some of the finest locally brewed beer and cider, or better still, visit a brewery to get a real experience of how the brew is made.

Bridge Cottage

Wealden has always nurtured artistic talent and no more so than today, with a profusion of local artists, craftsmen and writers having found inspiration here.

If literature is your passion then you will not be disappointed, as some of England's finest writers have lived in this area.

Soak up the creative inspiration of Rudyard Kipling at *Bateman's* in Burwash. Home to the British author and poet famous for work including 'The Jungle Book' and 'Puck of Pook's Hill'. He lived and wrote at *Bateman's* from 1902-1936 and his house is now owned by the National Trust.

Bateman's

Farley House & Gallery

Gaze at the amazing work by the surrealist artist's Lee Miller, renowned photographer and Roland Penrose, English painter and poet who both lived at *Farley House & Gallery*. The House

and Gallery near Chiddingly showcases the work of many famous artists. The Gallery and Farm House are open to the public and exhibitions are hosted there throughout the year.

>>Did you know?

AA Milne and Christopher Robin were both members at the *Royal Ashdown Golf Club*.

Pablo Picasso stayed at *Farley House & Gallery* in 1950.

Pooh Corner Museum

Cuckoo Trail

This 14 mile surfaced path runs through the heart of the Sussex countryside. It is mostly traffic free and is a safe route for walkers, horse riders and cyclists of all ages, forming part of the **National Cycle Network**. The picturesque trail follows the former 'Cuckoo Line' railway track and stretches from Heathfield to Eastbourne. It passes through Horam, Hellingly, Hailsham and Polegate.

For map, please see back cover foldout.

What you will find

The trail takes you through woodland, open grassland, and pasture, where you will find an array of wildlife. The cuckoo, the green woodpeckers and the dunnock sparrow are just a few possibilities along with a collection of seasonal wildflowers, oak and iron sculptures and carved wooden seats can also be found along the trail.

Whilst immersed in the wildlife, try not to miss the Victorian engineering skills in the brick arch bridges, between Hellingly and Horam. The most striking example being Heathfield Tunnel.

Adjacent to the trail you will find **Off The Line vineyard**. The vineyard entrance is open by prior arrangement, on selected weekends from May until September www.offthelinevineyard.com. And close by is **Hidden Spring vineyard** in Horam, www.hiddenspring.co.uk

A further 10 mile mainly off-road Trail 'Forest Way' can be found in the north of Wealden, see www.eastsussex.gov.uk/leisure-tourism/countryside-sites/forest-way-country-park.
